

Together

If I could wish upon a star,
I'd make a wish to be where you are.
Each and every day,
I wish that we could stay together.

It's time to go, to say good-bye.
But we know the reason why
We can never end
Time that we spend together.

Together, together,
No matter where we are, it seems like home.
Together, together,
Because you're the best friend I've ever known.

It's time to go, to say good-bye.
But we know the reason why
We can never end
Time that we spend together,
Because you're my friend.
My friend, my friend.

Being together,
Being together,
Being together.

You'll always be my friend,
Until the very end.
We'll always be together
Forever, again and again.

You'll always be my friend,
Until the very end.
We'll always be together
Forever, again and again.
