

More Kind

Whenever I'm with you, I'm feeling fine.
Whenever I'm in school, I wish that kids could be more kind.
We push and shove and tease to be first on line.
Hope everyone agrees that we could be more kind.

Kind... like doing good deeds,
The kind of kindness everybody needs.

And even I get caught, like a fish on a line.
Forget what I've been taught. Oh, and I can be unkind.
And you and I know well, it'll take some time,
But like a magic spell, I wish that we could be more kind.

Treat people how you want to be treated.
When someone falls, you should help them up!
When somebody says "please stop," you do it right
away.
Be nice to people even if you're having a bad day. If
you hurt somebody's feelings, say "sorry." What a
world we'd find if we could be more kind.

Kind... like doing good deeds,
The kind of kindness everybody needs.
And you and I know well, it'll take some time,
But like a magic spell, I wish that we could be
more kind.
And you and I know well, it'll take some time,
But like a magic spell, I wish that we could be
more kind.

I wish that I could be more kind,
I wish that we could be more kind,
I wish that kids could be more kind.
