

I Don't Mean to Be Mean

©2023 by Dr. Mac

I can sound like a lion's roar,
And stomp the ground like a dinosaur.
Throw a hissy fit 'til I turn green.
But I don't mean to be mean.

And I can speak with a grizzly growl,
And make a shriek like a screeching owl,
All of the above and in between
But I don't mean to be mean.

I don't mean to be mean,
When push comes to shove.
I don't mean to be mean
I'm just lookin' for love, love, love.

And I can breathe a ball of dragon's fire
And nothin' at all's what I require
I can rev up like a big machine,
"But I don't mean to be mean."

I don't mean to be mean,
No that's not what I'm thinking of.
I don't mean to be mean,
I'm just lookin' for love, love, love.

I can flood like a stormy sea
And all of a sudden there I'll be,
I can be a sight you've never seen
I just wanna be me....
But I don't mean to be mean
