

Hiccups

Here come some hiccups,
Just a ton of hiccups,
Let's have some fun with hiccups,
I love the hiccups.

Hiccups are a funny thing,
They'll interrupt you when you sing.
Interrupt most anything at all.

So when you've got those hiccups,
Lots of hiccups.
When you've got those hiccups,
Just give us a call.

Here come some hiccups,
Just a ton of hiccups,
Let's have some with hiccups,
I love the hiccups.
